

Dear all Council Members, and Election nominees

The 2022 IFA Annual General Meeting will be held at Fragila Vela Malcesine on Monday 16 May at 10.00. Online attendance, if approved, will be notified at a later date.

The Agenda and all supporting papers received so far can be found here: <https://finnclass.org/organisation/meetings-and-reports/1160-2022-ifa-agm-agenda-and-papers>

The Executive Reports will be added shortly, but we felt it was important to get the Agenda out as soon as possible as there is a lot to discuss and a number of elections.

Further papers will be added over the coming weeks.

We have a large number of elections to get through and it is encouraging to see so many nominations coming in.

When all the supporting papers are published, or otherwise latest by 18 April, a Proxy Voting Form will also be published.

Also a final reminder for the Urgent Electronic Vote for the change to the constitution regarding Online AGMs.

For those that have not yet submitted a vote (including ARG, BER, BUL, CZE, EST, FIN, GER, LIT, ESP, TUR plus 2 Executive members) the deadline is April 9.

Please note that approval requires a 2/3rds majority of ALL Council votes, so every vote counts.
